SAN SYSTEMS & CONTROLS PVT. LTD.

(AN ISO 9001-2008 CERTIFIED CO./CPRI APPROVED)

Sheet Metal Fabrication | Precision Engineering Services | Switchboard Cabinets
Automatic 9 Tank Powder Coating Plant | ABB Drives & Motion Products

Sheet Metal Fabrication & Precision Engineering

Our Infrastructure

Manufacturing Factory Location Spread Across 4000 Sq. Meters (1 Acre) in Delhi NCR

- Massive Assembly Line and Working Space
- Air-Conditioned Manufacturing area for Low Dust & High Quality"
- Fully Automatic 9 Tank Powder Coating Plant

CNC Turret Punching Machine from M/S Amada

CNC Laser Cutting Machine from M/s Bodor

CNC Bending Machine from M/s. Hindustan Hydraulic

Fully Automatic 9 Tank Powder Coating Plant

Our Services

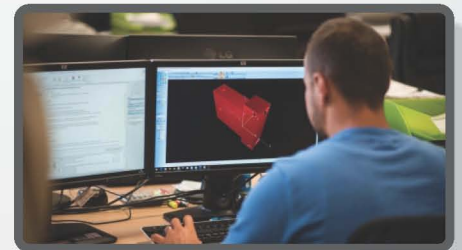

EXPERT MIG & TIG WELDING

Manual and automated MIG and TIG welding of ferrous and non-ferrous materials

SHEET METAL FABRICATION

Our Special Products cell is dedicated to high-quality stainless steel component manufacture.

PROTOTYPE DESIGN EXPERTISE

We design and prototype components for sheet metal or machined parts in large and small batches.

Switch Board Cabinets

San Systems & Controls Pvt. Ltd. is an ISO certified pioneering technology leader that manufactures and supplies best in class Electric Panels for power distribution & control

We are one of the leading manufacturer and supplier of Electric Panels. Our range of electric panels are used for industrial & commercial purposes

REDEFINING POWER CONTROL & DISTRIBUTION

Our Products Range include

- Ethernet Ready PCC Panel
- Motor Control Center Panel
- AC / DC Drive Panels
- APFC Panel with Reactor
- AMF & Synchronization Panel
- Micro-controller based Panel for Elevators & Escalators
- Instrumentation and PLC Control based Panels
- Cable Trays & Raceways
- Turnkey Projects

ABB Ability

WE ARE **ABB** VALUE
PROVIDER FOR DRIVE
& AUTOMATION PRODUCTS

Manufacturing

Material Handling Industry

Information Technology

Energy

HVAC & Chiller Units

INDUSTRY
WE SERVE

FMCG

Cement

Sugar

Utilities

Oil Petroleum

One-Stop-Shop

Flexible and reliable production,
from design to delivery

Exceptional Turnaround

An average lead time of
10-15 day

Excellent Design & NPI Departments

Over 500 new products
a month

Capacity

Impressive facilities, allowing
both small and large batches
